NAAC/DO/Assessor/2021

Respected Sir/Madam,

Greetings from NAAC

The National Assessment and Accreditation Council (NAAC) believes that the quality of the assessment depends on the quality of the assessors. NAAC draws its expertise from senior academicians from all over India. To meet the expanding demands for assessment and accreditation, NAAC wishes to expand the *National Collegium of Assessors* and empanel the best experts in different disciplines.

This effort is a part of the continuous process undertaken by NAAC. In keeping, the various national initiatives and the need to scale up the accreditation exercise, the NAAC has already moved into an End to End solution by automated process. In this context, the **Assessors module** which will serve the purpose of a fully updated database with the details of the various Assessors is an important component.

To make this functional, the Distinguished Vice Chancellors / Principals and Professors of reputed Institutions are requested to register their profile in the below link.

On registration, your application will be scrutinized by the Internal Scrutiny Committee. The maximum age limit set for registering as an Assessor is 70 years.

Best wishes,

With Regards,
