Dear Vice Chancellors/Directors,

Greetings from AIU!

It is pleasure to inform that the Association of Indian Universities (AIU) has partnered with Edify Online Corp ("EdifyOnline"), an Educational Technology Company based in Birmingham, United States, engaged in leveraging global pool of resources and Academic Talent by providing a common platform. EdifyOnline focuses on enabling Academic Talent from around the world to support the needs of higher education institutions. As an Indian diaspora, they are willing to work with the Indian institutions to achieve higher standards of quality of education in India to bring it to the level playing field with other counterpart countries by 2030.

The partnership of AIU with EdifyOnline aims at facilitating the implementation of the NEP 2020 Policy for "Internationalization of Higher Education (IHE)". For this, AIU and Edifyonline have jointly scheduled a Webinar on "Holistic Options for Internationalization" on September 29, 2022 from 4.00 to 6.00 pm.
