Subject: Invitation for National Training Program on Renewable Energy Technologies at SSS-NIBE Kapurthala (28th Nov-1st Dec 2022)

All attachments

Dear Sir/Ma'am

Greetings of the day!

We are pleased to inform you that Sardar Swaran Singh National Institute of Bio-Energy (SSS-NIBE), Kapurthala, an autonomous Institution of the Ministry of New and Renewable Energy, Govt. of India, is organizing a National Training Program on [UTF-8?]â€˜Renewable Energy Technologies: Recent advancements and Techno-Economic [UTF-8?]aspectsâ€™, at the Institute from 28th Nov to 1st Dec 2022.

This program is designed to introduce the importance of different applications of renewable energy including solar, wind and bioenergy, off-grid and grid power generation, financing for industrial projects and techno-economics for renewable energy projects and its utilization, including various policy issues of Renewable Energy.

The lectures from experts in different renewable sectors will be insightful for the attendees covering both research as well as implementation aspects of renewable energy technologies. The training will provide a platform to state nodal officials, industry representatives, experts, faculty, and researchers to interact and update their knowledge.

Please find attached the training brochure for more details. You are requested to kindly circulate the training information in your organisation for active participation from Research Scholars/Postdoc Fellows/Faculty members/Scientists.

As the maximum number of participants is limited preference will be given on first come first served basis.

Vandit Vijay, PhD

Scientist-C

Sardar Swaran Singh National Institute of Bio-Energy
