Respected Sir/Madam,

Greetings from Manipal-Government of Karnataka Bioincubator!

Manipal - Government of Karnataka Bioincubator, in collaboration with Manipal School of Life Sciences(MSLS), Manipal is hosting a virtual All-India Hackathon, MANIPAL BIOTECH HACKATHON 2022, in the month of December 2022. Manipal - Government of Karnataka Bioincubator, a technology business incubator (TBI) at Manipal established with support of Manipal Academy of Higher Education (MAHE), K Tech-Government of Karnataka and BIRAC, Department of Biotechnology (DBT)-Government of India.

Manipal Biotech Hackathon 2022 is going to be conducted with the vision of promoting student innovations, startups creation, and to encourage critical thinking essential to address the most unsolved needs of the Biotech domain as Manipal Academy of Higher Education(MAHE) has declared 2022 as the Year of Innovation and Entrepreneurship. The expectation form multi-domain applicant teams to explore the unsolved problems and to discover innovative solutions with scalable business models.

The Hackathon will be virtual, with mentoring sessions and is conducted entirely on Microsoft Teams, commencing from the 12th December to 20th December 2022, and the final pitching and evaluation will be on 22nd December 2022.

The event is open for all students (team of 4 and a mentor), currently enrolled in any academic institutions (UG/PG/Doctoral), and individuals without team are welcome to form multi-disciplinary teams of their own, by registering individually and connecting with other solo registrants of the event. There are attractive awards to be won, including prize money up to INR 50,000, pre-incubation for 6 months, and seed funding up to INR 25 Lakhs. The participants also get technical sessions, and mentoring. [WINDOWS-1252?] We'd like to invite the students at your University to take part in the Pan-India, virtual Manipal Biotech Hackathon 2022.

We have also shared the brochure and guidelines of the event and the Rules and Regulations to be circulated among students/ to be displayed on your college noticeboards. Kindly make arrangements for the same and it would be great if at least one team from your institution would participate in the event.

For any additional information please feel free to contact us.

Thanking you

Regards
