Subject: Request for Circulation of Internship Notice - For June-December 2023 Session

All attachments

Dear Sirs/Madam,

I hope this letter finds you in good health and spirits. I am writing to request your assistance in circulating an internship notice amongst final year civil engineering students of your university and colleges under your jurisdiction.

We at the Punjab Road Safety and Traffic Research Centre are offering a 6 months internship opportunity for final year civil engineering students and two months internship for M.Tech/M.Arch/M.Plan students pursuing their masters in the relevant area of Road Safety and Traffic Management. This internship will provide students with hands-on experience and exposure to the latest technologies and practices in the field of road safety and traffic research. Punjab Road Safety and Traffic Research Centre is established under Punjab Police Act Section 19 (4) by the Punjab Police in order to promote research in the areas of road safety and traffic management.

We believe that this opportunity will be beneficial for the students and also for the university and colleges under your jurisdiction as it will help to bridge the gap between academia and industry and also help to prepare the students for future employment opportunities. The last date of receiving application is 25th April 2023.

I would be grateful if you could kindly circulate the attached internship notice amongst the amongst the concerned students of your university and colleges under your jurisdiction. If you have any queries or need further information, please do not hesitate to contact me.

Thank you for your time and consideration.

Sincerely,

--

Dr Navdeep Asija

Traffic Advisor, Punjab cum

Director, Punjab Road Safety and Traffic Research Centre
