Dear Sir,

It is to inform you that The Ministry of Environment, Forest and Climate Change is organising Youth Parliament on LiFE which is a platform for young people to discuss and debate on various environmental aspects and come up with solutions to promote sustainable living. In addition, the event also aims to promote leadership, critical thinking, and teamwork skills among young people. The overarching theme of the Youth Parliament will be 'Individual behaviour and habits have an impact on environment and climate change'.

The Youth Parliament on LiFE is open to university and other institution students from all over India who are between the ages of 18 and 25 and enrolled in a university or institution recognized by UGC/AICTE.

The event will be organized at two levels: Stage I and Stage II. The Stage I event will be

conducted through a virtual debate competition/group discussion at the university level in each state/UT and will shortlist candidates as required against that state/UT. The stage II event will be conducted by IIFM in Delhi among the shortlisted candidates from each state/UT. The shortlisted candidates will compete in a mock parliamentary debate in Delhi, and about 150 of them will be selected to be MEYPs (Members of Environment Youth Parliament). Five students will be selected after Stage II and will be given the 'Youth Icon Award' on **5th June 2023** on World Environment Day.

In view of above this department is organising the Stage I of the event and selected Panjab University, Chandigarh to seek participation for the same. The detailed instructions of the Stage I event are as under:

- The age of participants shall be in b/w 18 and 25 and must be enrolled in a university or Institutions recognized by UGC/AICTE.
- The event will be conducted through virtual mode only.
- The mode of language will be English.
- The debate topics will be related to the field of environment wherein students will speak for and against the notion for 3-5 minutes. The topics will be shared later.
- The University/college ID card, Declaration form and No Objection Certificate (NOC) (sample enclosed) will be required as documentary proof from the participants and will be submitted while filling google form.

The participants are required to fill following google forms : <https://forms.gle/2heNHP9TuG5ry8fa8>

- **The final date to fill form is 10th May 2023.**
- While filling up the form participants are required to carry following document :
 - o Institute ID proof
 - o Previous debate participation certificate if any.
 - o NOC
 - o Declaration.
 - o Self-Photograph (Latest)
- From UT only two candidates will be selected for stage II which will be organised by IIFM at New Delhi.

In view of the above, this department seeks active collaboration and participation from the university. Therefore, you are requested to share the above mentioned google form amongst the students of various departments of university to ensure the maximum participation from the Chandigarh and make this event a success.

Please find the attachments related to the programme in the mail.

Regards

Chandigarh
