

Dear Faculty/Experts and Students,

The date of abstract submission is extended to Nov 30  
The fee for Indian research students is reduced to ₹ 1000 /-  
Hope to see you in the conference.

Dear Faculty/Experts and Students,

We are thrilled to extend a warm invitation to the 1st International Symposium on Battery Technology: Advances and Future Trends, scheduled to take place from 19th to 21st January 2024, in Gandhinagar, Gujarat, India. This pioneering event is organized with the aim of fostering knowledge exchange and discussion on the latest developments and future prospects in battery technology.

Symposium Title: **1st International Symposium on Battery Technology: Advances and Future Trends (HYBRID MODE)**

Symposium Details:

- **Date:** 19th - 21st January 2024
- **Location:** Pandit Deendayal Energy University (PDEU), Raisan, Gandhinagar – 382 426, Gujarat, India
- **Mode:** Hybrid (In-person and Virtual)

Objective of the Symposium: The symposium, "Battery Technology: Advances and Future Trends," seeks to provide an in-depth exploration of the advancements in battery technology, encompassing recent breakthroughs, ongoing trends, and future possibilities. It aims to offer a comprehensive analysis of innovations across various aspects of battery technology, including materials, condition monitoring, safety, environmental considerations, cooling technologies, battery chemistry, and more.

Call for Papers: We cordially invite you to submit your research papers for presentation at the symposium. The deadline for extended-abstract submission is 30th October 2023. Please note that submitted papers should be original work and not previously presented at other conferences or published in journals. For further assistance and information, please contact us at [BatterySymposium2024@pdpu.ac.in](mailto:BatterySymposium2024@pdpu.ac.in).

Publication: All selected symposium papers will be published in reputable international journals. Details regarding the journals and publishers will be updated on the symposium website in due course. For a template of the symposium paper, please visit our website: [Symposium Paper Template](#).

Please refer the attached brochure for the details of the suggested thrust areas of the Symposium and an elaborate list of distinguished invited field experts across the globe to deliver keynote lectures. Also refer the details of the registration fee in the brochure.

Important Dates:

- Extended-Abstract Submission Deadline: 30th November 2023
- Notification of Acceptance: 20th December 2023
- Registration Deadline: 30th December 2023
- Symposium Dates: 19th - 21st January 2024

We eagerly anticipate your participation in this significant event, which promises to be a platform for the exchange of knowledge, ideas, and innovations in battery technology. Should you have any queries or require further information, please feel free to contact us. Thank you for your attention, and we look forward to your active involvement in this symposium.

Warm regards,

Prof. Surendra Singh (Symposium-Chair),

Dr Ojas Satbhai (Convener),

Dr. Abhinaya Srinivas (Co- Convener).
