NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL
An Autonomous Institution of the University Grants Commission

Dear Sir/Madam,

Greetings from NAAC...

DVC/22/1687-1688
28-04-2022

We hope that this email finds you in the best of spirits during these tough times. As a Flagship Quality Assurance Agency of India, the National Assessment and Accreditation Council (NAAC), has taken several initiatives to reach out to the Higher Education Institutions (HEIs) for improvement of quality and sustenance. So far NAAC has completed 14,373 numbers of accreditations across the country as on date. At the same time, despite our massive efforts, there are some concerns with stakeholders which need to be addressed on the quality and relevance of higher education.

Every Higher Education Institution desires that their students get numerous opportunities to work with the Government agencies, Corporate Sector, Private Companies, Start-ups, Research Institutes, Ministries, PSUs and MSMEs, Hon'ble Prime Minister, has plans to provide 1 crore internships in different skills to all the students of our country.

AICTE in association with NEAT team, is giving a wonderful opportunity to students from all over the country with any academic background in finding their dream internship. Through their internship portal, where more than 300 certified and authentic companies regularly keep posting their requirements for interns. In this regard, we humbly request that you motivate your students towards participating in this Internship Programme and getting benefitted as a result of this internship opportunity. Further, we would also kindly request you to hold an awareness programme for Universities/Affiliated College students to orient them and spread awareness about the internship opportunities available for them in the AICTE portal (https://internship.aicte-india.org/register_new.php). We again request you to kindly support to achieve the target of 1 crore internships at the earliest.

Thanking you,

With Best Regards

S.C. Sharma
