CIRCULAR

A clarification is issued with reference to Circular No. 1211/DUI/DS,
Dated 10.04.2023.

The pre-screening Committees taking note of PPT presentations of candidates appearing for the ongoing CAS interviews will only ensure that there are no technical glitches/snags in the presentation and that there is no irrelevant detail.

Other than such scrutiny, the pre-screening Committee will not judge the merit of the applicant's work, or delay or disable, in any way, the candidate from appearing for interview.

This effort is sought to only expedite the interview process and enable it to move smoothly.
