Subject: Winter Training 2023 (December 2023 to January 2024 slot)
at CSIR-NGRI [All attachments](#)

Dear Sir/ Madam,

CSIR-NGRI web portal for online application form short term Winter Training - 2023 (December 2023 to January 2024) is now available at NGRI website and the last date for submission of application is 05.11.2023.

Following is the Winter Application URL:
<https://devapps.ngri.res.in/Interns/>

I request you to circulate the above link among the students in your department so that interested students can apply before the deadline as mentioned above and enable us in selecting up to 25-30 students. Any request for winter training after the last date would not be entertained.

Best Regards,
Dr. B.P.K. Patro
Chief Scientist and SAC Chairperson
CSIR-NGRI
